

CANVAS® FOR TURNINGPOINT® PARTICIPANTS

Navigating to the Turning Technologies Registration Link

All Turning Technologies functions are performed within the course.

- 1 Log into Canvas.
- 2 Select the appropriate course under the *Courses* drop-down menu.
- 3 Click the **Modules** link from the left menu.

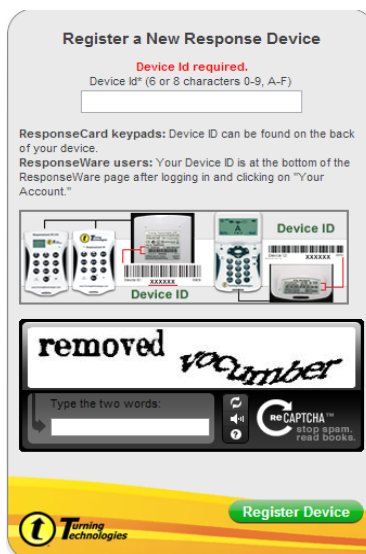

- 4 Click the **Canvas Registration System** link below *Course Modules*.

Registering a Response Device

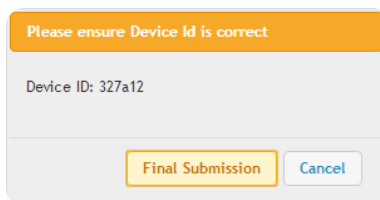

A ResponseCard or ResponseWare Device ID must be registered to receive credit in class.

IMPORTANT

It is not necessary to use both a ResponseCard and ResponseWare. Check with your instructor BEFORE purchasing ResponseWare to see if it is approved for use in your class.

- 1 Enter your ResponseCard or ResponseWare **Device ID** in the provided field.
- 2 Enter the **Captcha** in the provided field.
- 3 Click **Register Device**.
- 4 The following window is displayed.

- 5 Verify the information that you entered is correct. Click **Final Submission** to register the Device ID. Click **Cancel** to start over.

Contact Us

For additional help, contact Turning Technologies Technical Support.

Technical Support is available from 7 a.m. - 9 p.m. EST.

From within the contiguous United States, you can reach Technical Support toll-free by calling 866.746.3015. If you are calling from outside of the United States, please call +1 330.746.3015.

Technical Support may also be reached via e-mail at support@turningtechnologies.com or support@einstruction.com, a brand of Turning Technologies.
